FINANCE + DELIVERY AVAILABLE PLEASE ASK. Just arrived from Japan is this 2012 (LX12 HDL) High specification Mk2 Volkswagen Touran SE 1.4 TSi petrol with the DSG automatic gearbox, 7 seater finished in Candy white and only covered a genuine 47,000 miles with Jevic mileage verification. Serviced by Vw Japan and just had a full engine service by ourselves (new stamped service book supplied), Spare remote key, Great spec which Includes..... Alcantara interior, Dual zone air conditioning/climate control, Multi function steering wheel, Cruise control, Electric foldaway mirrors, Rear privacy glass, ISOFIX for child seats, Traction control, Rear parking sensors, Xenon Afs headlights with washers, Automatic headlight, Front spot lights, Alloy Wheels, So you're probably thinking why buy a Vw from Japan ? Simple !... Most Vw's in the uk are diesel engines which are now becoming more and more unpopular and people are seeking out petrol alternatives but these are very rare in the uk and the few ...
